**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of bad, slow, and expensive Internet and phone service from AT&T, I switched to Sonic.net, a local provider. Their service is faster and cheaper, and their customer service actually cares (unlike that of giant corporations like Comcast and AT&T)

I'm a programmer working at home and I rely on Internet to do my job.

I'm strongly opposed to any regulatory changes that would reduce or eliminate competition in the telecomm field.
